THE NEEDHAM

Musical Cabinet

THIS new and wonderful instrument

enables any one, whether under-  
standing music or not, to play any  
desired melody or harmony, sacred or  
secular, from the most plaintive dirge to  
the most lively dance music. It posses-  
ses a mechanism of marvelous simpli-  
city, requiring but the intelligence of a  
child to manipulate, yet capable of repro-  
ducing, without limitation, the musical  
compositions of the past, present and  
future. The execution is faultless,  
strict in melody, harmony and rhythm,  
and the instrument is especially adapted  
for Sunday Schools, prayer and revival  
meetings, home devotional exercises,  
and in all cases where good, correct  
music is required, and no musician is at  
hand to perform. Address,

Diagrams of Business.

There has been secretly circulated  
through the mails without even post-  
marks an anonymous circular, libelous  
in its character, against Daniel F. Beat-  
ty of Washington, N. J., proprietor of the  
Beatty Piano and Beatty's celebrated  
Golden Tongue Parlor Organs.

It is supposed to have been done by  
competitors in the business, as none  
others would be in the trouble and ex-  
pense, even if they had no fear of the  
punishment if detected, and the cause  
is attributed to the fact that Mr. Beatty  
has been making a very successful war  
upon high prices in these instruments.

We have received from Mr. Beatty  
the following open letter addressed to  
him by the officials and prominent men  
of his own town.

WASHINGTON, N. J., July 5, 1877.

To Daniel F. Beatty, Esq.:

It having come to our knowledge  
that communications written with an  
intent to falsify you and injure your  
business, have appeared in a certain pe-  
riodical, we, therefore, as citizens of this  
place—having known you for years—  
consider it an act of justice to you to  
promulgate all such communications to  
be entirely unacted for and slanderous,  
and endorse you as being, so far as we  
have ever been able to judge, a man of  
sterling integrity and prompt in all  
your business transactions. Signed, Na-  
than A. Hays, Mayor; Alphons Babcock,  
G. A. Thatcher, Henry Winter, and  
Wm. E. Cummins, Councils; Joseph  
Viel, Judge of the Court; James H.  
Cocher, Vice President, and E. H. Hann,  
Cashier First National Bank; Rev. J.  
J. Reed, Pastor M. E. Church (acquaint-  
ed but few months); J. V. Creveling,  
Jus. A. Shrope and John C. Winter,  
Justices of the Peace; John Gardner,  
Sheriff, and Richard B. Shaffer, Deputy  
Sheriff of Warren county; A. W. Crevel-  
ing, General Merchant; Philip John-  
ston, late Assessor, and others.

I certify that I am acquainted with the  
hand writing of the above, and re-  
cognize all of them as genuine. The  
gentlemen are of our best citizens, and  
I fully concur in the letter.

OSCAR JEFFERY,  
Counselor-at-Law and Notary Public.

We can hardly conceive of a more  
complete answer to such a libel than  
the above letter, but Mr. Beatty requests  
all interested to address him for full ex-  
planation, and for information touching  
the parties circulating the libel if any  
can be obtained, with a view to their  
prosecution and punishment.

Diagrams of Business.

There has been secretly circulated  
through the mails without even post-  
marks an anonymous circular, libelous  
in its character, against Daniel F. Beat-  
ty of Washington, N. J., proprietor of the  
Beatty Piano and Beatty's celebrated  
Golden Tongue Parlor Organs.

It is supposed to have been done by  
competitors in the business, as none  
others would be in the trouble and ex-  
pense, even if they had no fear of the  
punishment if detected, and the cause  
is attributed to the fact that Mr. Beatty  
has been making a very successful war  
upon high prices in these instruments.

We have received from Mr. Beatty  
the following open letter addressed to  
him by the officials and prominent men  
of his own town.

# THE CHRONICLE.

### LEGISLATIVE.

We have compiled the following from the *Sacramento Record Union*.

The following bills have been introduced in the Senate:

To allow District Judges to take books from the State Library.

Relation to appointment of Constables. The Justice may at the request of a party, when a Constable cannot be found, appoint a Justice to act as such, the said Justice being liable on his official bond for all official acts of the person deputized.

Fixing the qualifications of District Attorneys. Prohibits any person from holding the office of District Attorney, however, shall be chargeable, in all cases, with the payment of all the decedent's debts as provided in the Code of Civil Procedure.

To prohibit the teaching of foreign languages and music in our public schools.

To protect ditches and canals. Punishes for throwing or placing obstacles in canals or ditches.

Senator Bones, of Alameda, was sworn in on Wednesday as the successor of the late Senator Porter.

The following bills have been introduced in the Assembly:

In relation to wills. Proposes to make section 1,270 read: Every person over the age of 18 years, of sound mind, may, by last will, dispose of all his estate, real and personal, except that he shall not by will dispose of more than 640 acres of land. All estates not disposed of by will is succeeded to as provided in title 7 of this part. The estate, who has not been admitted to all the Courts of this county.

An act to regulate policies of life insurance. Provides that all life insurance policies shall be duly registered by the Commissioner of Insurance.

New Patents.—Through Dewey & Co. Patent Agents, San Francisco, we receive the following list of U. S. patents granted to Pacific coast inventors:

E. D. Conroy, S. F., awnings; J. W. Mahoney, Bishop Creek, Cal., plow; J. W. Davis, S. F., pantalones; J. W. Allenwood, Timbuctoo, Cal., ore washing apparatus for hydraulic mining (reissue); E. W. Haines, S. F., a medicine for horses (trade mark).

The Tribune says: Wigginton, who was not elected in the Fourth California District, has just been resolved into the seat of Pacheco, who was elected, by the House Committee on Elections. If any other Democratic statesman would like to misrepresent some Republican constituency he ought to be encouraged to apply to Randall. This House has a great talent for making vacancies for almost anybody who will pledge himself to vote with the majority caucus and ask no questions.

The executors of the estate of Horace Greeley have filed their final report.—On February 13, 1878, the personal estate was estimated at \$206,084. Only about \$20,000 in cash has been realized. Two notes on C. Vanderbilt Jr., representing \$45,924, are worthless. Greeley made many loans to persons who are now bankrupt and owned stock in many worthless companies.

Wells Fargo & Co. report that 1,039,830 trade dollars have been shipped East from here during this month, to go into circulation. It is said that the Postmaster at New York refuses to take trade dollars in payment for stamps. It is pretty rough when American coin will not pass current for postage stamps.

Hon. W. Z. Angney, Senator from Santa Clara county, died at his residence at Gilroy on Monday last. The deceased has for many years occupied a prominent position in the Democratic party. He was sixty years of age, and a native of Pennsylvania.

Some excitement has been created in political circles by the reports that the authorities of New Orleans are going to indict Secretary Sherman, and the other Republicans who visited that city to witness the Presidential count.

During the week ending January 22d, the header of the Suro Tunnel Company was advanced fifty-five feet, making the total length of the tunnel 18,764, and leaving 1406 feet yet to run.

The French Academy of Sciences at Paris has awarded the Laland prize of astronomy to Professor Hall, the American discoverer of the satellite of Mars.

A race between Mollie Mc. Carthy and Jake will come off at Agricultural Park, Sacramento, on Washington's birthday.

It is rumored that peace negotiations between Russia and Turkey have been broken off.

The Chicago Mining Board has been fully organized.

## ANOTHER DEPARTURE.

The recent election of Mr. Bones to the State Senate by the workingmen of Alameda county is decidedly a new departure, and the question now arises, whether it is not a departure in the right direction, and should be followed by the workingmen of other counties. Santa Clara has just lost her Senator by a decree of Providence, and it is to be seen whether the "bone and sinew" of that county will not follow the example set by their fellow citizens of Alameda. It is patent to every one that we elect too many of the legal fraternity to the Legislature. It seems to have become a sort of second nature with our people to think that no one but a lawyer should be sent to the Capitol to make our laws. It is well, yes, necessary, to have a few able lawyers, in each branch, but we submit that it is not beneficial to have too many of that profession. They are too apt to pass laws that will bear different constructions as to their intent and purposes, thereby entailing much trouble in their proper enforcement, and eventually bring duce to their pockets. Give us a legislature of workingmen—farmers, mechanics, and a slight sprinkling of lawyers, and we would not have so many dead letter laws in our books; our courts would not be occupied in the trial of cases caused by the double meaning of innumerable laws.

There will be no difficulty in finding men of great intelligence outside of the professions from which our law makers are most generally selected. At the approaching election of delegates to the Constitutional Convention the workingmen of this State will undoubtedly take a prominent part, and in most of the counties will control the election. The Republicans and Democrats will now have something to ponder on in regard to future elections.

The late storm was general throughout the State, and the coming season promises to be the most prosperous California has seen for many a year.

Serious charges have been preferred against Postmaster Coey, of San Francisco. He will be investigated.

The Parent of Insomnia.

The parent of insomnia or wakefulness is in nine cases out of ten a disordered stomach. Good digestion is the sound sleep, indigestion interferes with it. The brain and stomach sympathize. One of the prominent symptoms of a weak state of the gastric organs is a disturbance of great nerve entrapment, the brain, invigorates the stomach, and you restore equilibrium to the great center. A most delicate medicine for the purpose is Hostetter's Stomachic, which is far preferable to mineral sedatives and powerful narcotics which, though they may for a time exert a soporific influence upon the brain, soon cease to act, and invariably injure the tone of the stomach. The Bitters, on the contrary, restore activity to the operations of all the important organs, and steady and beneficial influence is reflected in sound sleep and a healthy state of the nervous system. A wholesome impetus is likewise given to the liver and bowels by its use.

## County Official Press.

## LOCAL INTELLIGENCE.

**MINE SOLD.**—B. E. Hunter, of Monitor, returned from San Francisco on Wednesday's stage. We are glad to be able to note that Mr. Hunter concluded a sale of the Turkish mine, mill, etc., to a San Francisco company, and that work will be started as soon as the new owners can make the necessary arrangements. The Turkish is a valuable property and we hope its development will be prosecuted with energy by its new owners.

**PERSONAL.**—Hon. Cy. Palmer, President of the Advance Company, arrived at Monitor last evening to look after the interests of the company in this section. It is to be hoped he has come prepared to liquidate and place the company on a better footing than it has been occupying.

**DANCE AT MONITOR.**—The social dance at Monitor on Wednesday evening was largely attended by residents of this town, notwithstanding the heavy snow storm then raging. The party was a very pleasant, dancing continuing till daylight.

**UPPER-BADLY INJURED.**—The stage sleigh upset last evening near the I. X. I. brick kiln, throwing out Mrs. E. Spencer, who sustained severe injuries in the back and shoulders. She is confined to her bed and suffers much pain.

**THE SNOW.**—The late storm of Sunday, Monday, Wednesday and Thursday, gave us about 18 inches of snow on a level, but there is very little of the level to be found—too much drifting.

**(POSTPONED.)**—The sale of the delinquent stock of the Advance Company has been postponed till Saturday next, February 9th. Much of the stock advertised as delinquent has been paid up.

**DELINQUENT TAX LIST.**—In another column will be found the delinquent tax list. The sale of the delinquent property advertised will take place on February 28th.

**BLOWN DOWN.**—The frame building on the east side of Silver Creek, belonging to G. D. Fryer, of Carson city, was blown down during the recent storm.

**VERY LOW.**—We regret to learn that Miss Ida Wade, daughter of Orville C. Wade, of Woodford, is very low with the diphtheria.

**STATE SETTLEMENT.**—Treasurer Cronk has made his settlement with the State Controller, paying to the State \$1,640.93.

**WILL MEET.**—The regular meeting of the Board of Supervisors will be held at Markleville on Monday next.

**BOARD OF SUPERVISORS.**—The Board of Supervisors will meet in regular session on Monday next.

**PLEASANT.**—We are now having pleasant weather and the snow is settling fast.

**COUNTY COURT.**—The February term of this Court commences on Monday.

## LOCAL INTELLIGENCE.

**MINER SOLI.**—B. E. Hunter, of Monitor, returned from San Francisco on Wednesday's stage. We are glad to be able to note that Mr. Hunter concluded a sale of the Turkish mine, mill, etc., to a San Francisco company, and that work will be started as soon as the new owners can make the necessary arrangements. The Turkish is a valuable property and we hope its development will be prosecuted with energy by its new owners.

**PERSONAL.**—Hon. Cy. Palmer, President of the Advance Company, arrived at Monitor last evening to look after the interests of the company in this section. It is to be hoped he has come prepared to liquidate and place the company on a better footing than it has been occupying.

**DANCE AT MONITOR.**—The social dance at Monitor on Wednesday evening was largely attended by residents of this town, notwithstanding the heavy snow storm then raging. The party was a very pleasant, dancing continuing till daylight.

**UPPER-BADLY INJURED.**—The stage sleigh upset last evening near the I X L brick kiln, throwing out Mrs. E. Spencer, who sustained severe injuries in the back and shoulders. She is confined to her bed and suffers much pain.

**THE SNOW.**—The late storm of Sunday, Monday, Wednesday and Thursday, gave us about 18 inches of snow on a level, but there is very little of the level to be found—too much drifting.

**(POSTPONED.)**—The sale of the delinquent stock of the Advance Company has been postponed till Saturday next, February 9th. Much of the stock advertised as delinquent has been paid up.

**DELINQUENT TAX LIST.**—In another column will be found the delinquent tax list. The sale of the delinquent property advertised will take place on February 28th.

**BLOWN DOWN.**—The frame building on the east side of Silver Creek, belonging to G. D. Fryer, of Carson city, was blown down during the recent storm.

**VERY LOW.**—We regret to learn that Miss Ida Wade, daughter of Orville C. Wade, of Woodford, is very low with the diphtheria.

**STATE SETTLEMENT.**—Treasurer Cronk has made his settlement with the State Controller, paying to the State \$1,640.93.

**WILL MEET.**—The regular meeting of the Board of Supervisors will be held at Markleville on Monday next.

**BOARD OF SUPERVISORS.**—The Board of Supervisors will meet in regular session on Monday next.

**PLEASANT.**—We are now having pleasant weather and the snow is settling fast.

**COUNTY COURT.**—The February term of this Court commences on Monday.
